Brooke will not continue with group, along with Karen

Jason gave a overview of groups original history, conflict resolution, trail management, outreach to user groups

Still having issues with the high school mountain bike competitive teams, un-safe/ rude trail behavior, over whelming trail head facilities.

Talking points: communication with coaching staff, scheduling, coaching, tail boards, meeting with user groups, ie. Equestrian meet/greet, Michelle to have discussion with local advocate

Getting other groups schedules out—PDF format? Distribution? if other users know about events before hand they can plan accordingly to avoid.

Local race promoter (new) wants to increase number of events on local trails, how to manage fairly with resources.

Ongoing first aid training. Current options are New Life located behind Costco, and a possible third-party working with PNF during yearly volunteer training.

Cindy is currently hosting website on her equipment, discussed future domain name, having calendar with links to user groups, found the address, Prescott Safe Trails, to be available.

Next meeting March 2nd , location TBD.

Chair elections, was suggested maybe rotating Coordinator (new term) will see.
